

TUTORIAL - HOW TO ADD MOODLE RESOURCES

1. After Login, you will be shown the list of your courses.

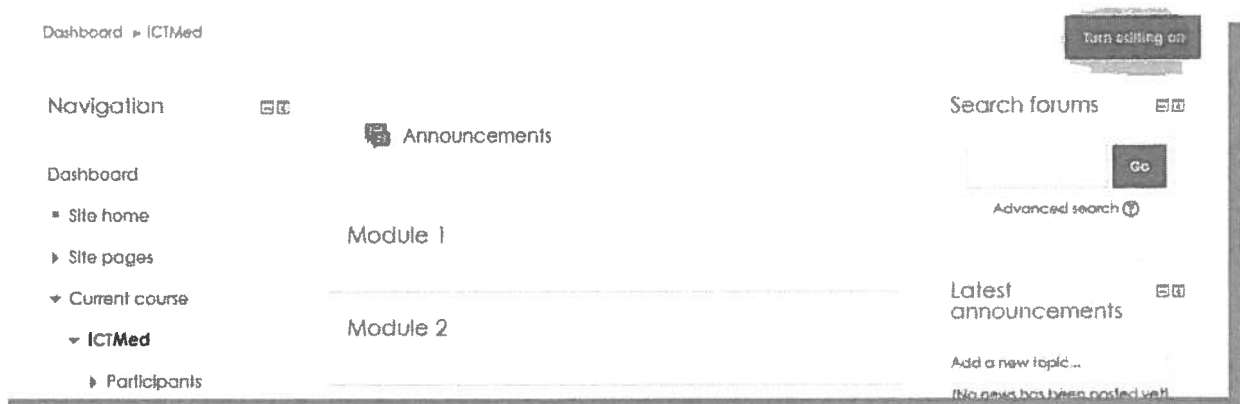

Please select the course you need to add Resources (ICT in Medicine).

The screenshot shows the Moodle dashboard. At the top left is the 'TechReh' logo. To its right is the European Union flag and the text 'Co-funded by the Erasmus+ Programme of the European Union'. Further right is the email address 'E-mail: techreh@unisannio.it'. Below the header, there is a 'Dashboard' section with a 'Customise this page' button. The main content area is divided into three columns. The left column contains a 'Navigation' menu with 'Dashboard' expanded to show 'Site home', 'Site pages', 'My courses', 'ICTMed', and 'BITalino'. The middle column is titled 'My courses' and lists 'ICT in Medicine' (highlighted), 'BITalino', and 'All courses ...'. The right column contains 'Private files' (No files available), 'Online users' (Igor Vikhrov, Admin User), and a 'Turn editing on' button.

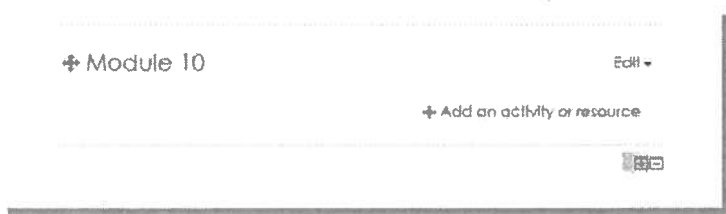

2. The course is already structured in 10 Modules.

Click on "Turn Editing On" in order to start the editing process.

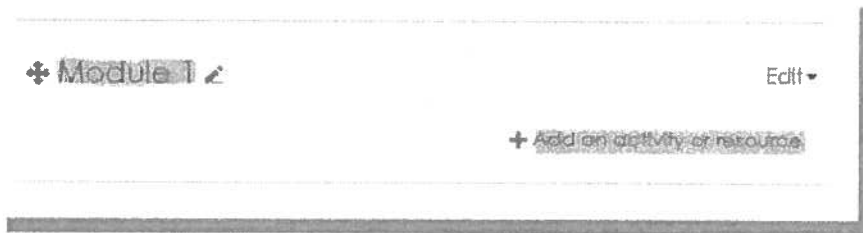

The screenshot shows the Moodle course page for 'ICTMed'. The breadcrumb trail is 'Dashboard > ICTMed'. The left navigation menu shows 'Current course' expanded to 'ICTMed' and 'Participants'. The main content area shows 'Announcements' and two modules: 'Module 1' and 'Module 2'. A 'Turn editing on' button is visible in the top right corner. Below the modules, there is a search bar for forums and a 'Go' button. The bottom right corner shows 'Latest announcements' with the text 'No news has been posted yet!'.

3. If you need to add multiple Modules, click on icon [+] at the end of the page (just after Module 10)

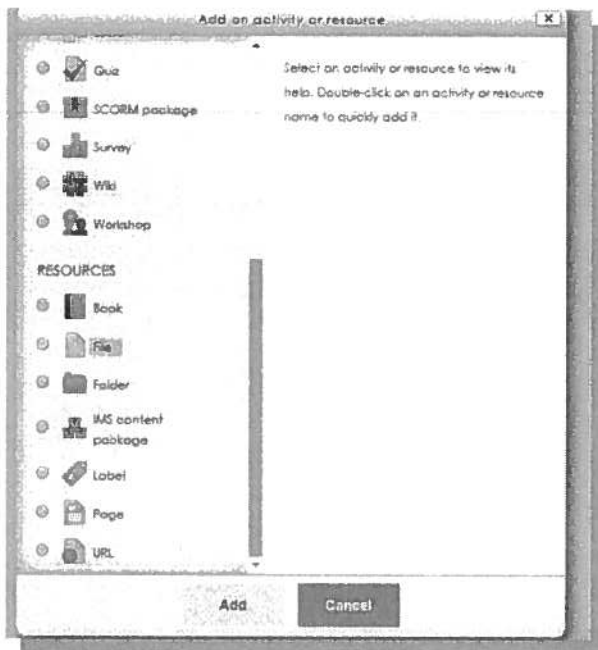

The screenshot shows the end of the Moodle course page. It displays 'Module 10' with an 'Edit' dropdown menu. Below the module title is a button with a plus sign and the text 'Add an activity or resource'. At the bottom right, there is a small icon representing a grid or table.

4. You can modify the name of the module clicking on the name.
In order to add resources, click on "Add an activity or resource".

5. You can add content as PDF file or PPT presentation.
Please select "File" item from the list, then click on "Add" button.

6. In the next page you can upload the file. Please fill the form with the mandatory fields.
In order to upload the file, you can "drag and drop" the file in the related field.
Please wait for upload to finish, then click on "Save and return to course".
