Chair of Italian Association for Electrical  
and Electronic Measurements  
Past President of IMEKO  
University of Sannio  
Department of Engineering

**Dear professor Pasquale Daponte,**

We are pleased to inform you that we have just received the official document from Cabinet about opening the new master courses "Computer systems in medicine" in the Tashkent University of Information Technologies (TUIT). It is achievement one of the important results of the ERASMUS project "Technology in Rehabilitation (TechReh)" 561621-EPP-1-2015-1-IT-EPPKA2-CBHE-JP.

Admission of students to the magistracy will be conducted in the prescribed manner in accordance with the legislation of Uzbekistan. Students will start their studies in the master courses from September 2, 2019. We will involve TPMI teachers and researchers to conduct some disciplines in medicine. We will also continue to conduct research in the scientific laboratory together with medical universities and centers.

I am grateful to you for the support of this important sphere such as using information technologies in medicine for our republic and I look forward to continued cooperation.

The Presidential Decree and Annex are attached.

**Vice rector**

**Dr. Agzamov F.**
